

IVANHOE

A large, stylized red splatter graphic is positioned over the letter 'O' in the word 'IVANHOE'. The splatter has a central, irregular shape with several long, thin, curved extensions reaching outwards, resembling a blood splatter or a paint splatter. The main body of the splatter is located within the circular space of the 'O', with some smaller droplets or splatters extending to the left and right.

PROGRESSIVE METAL • SINCE 1986

BOOKING DECK 2026/27

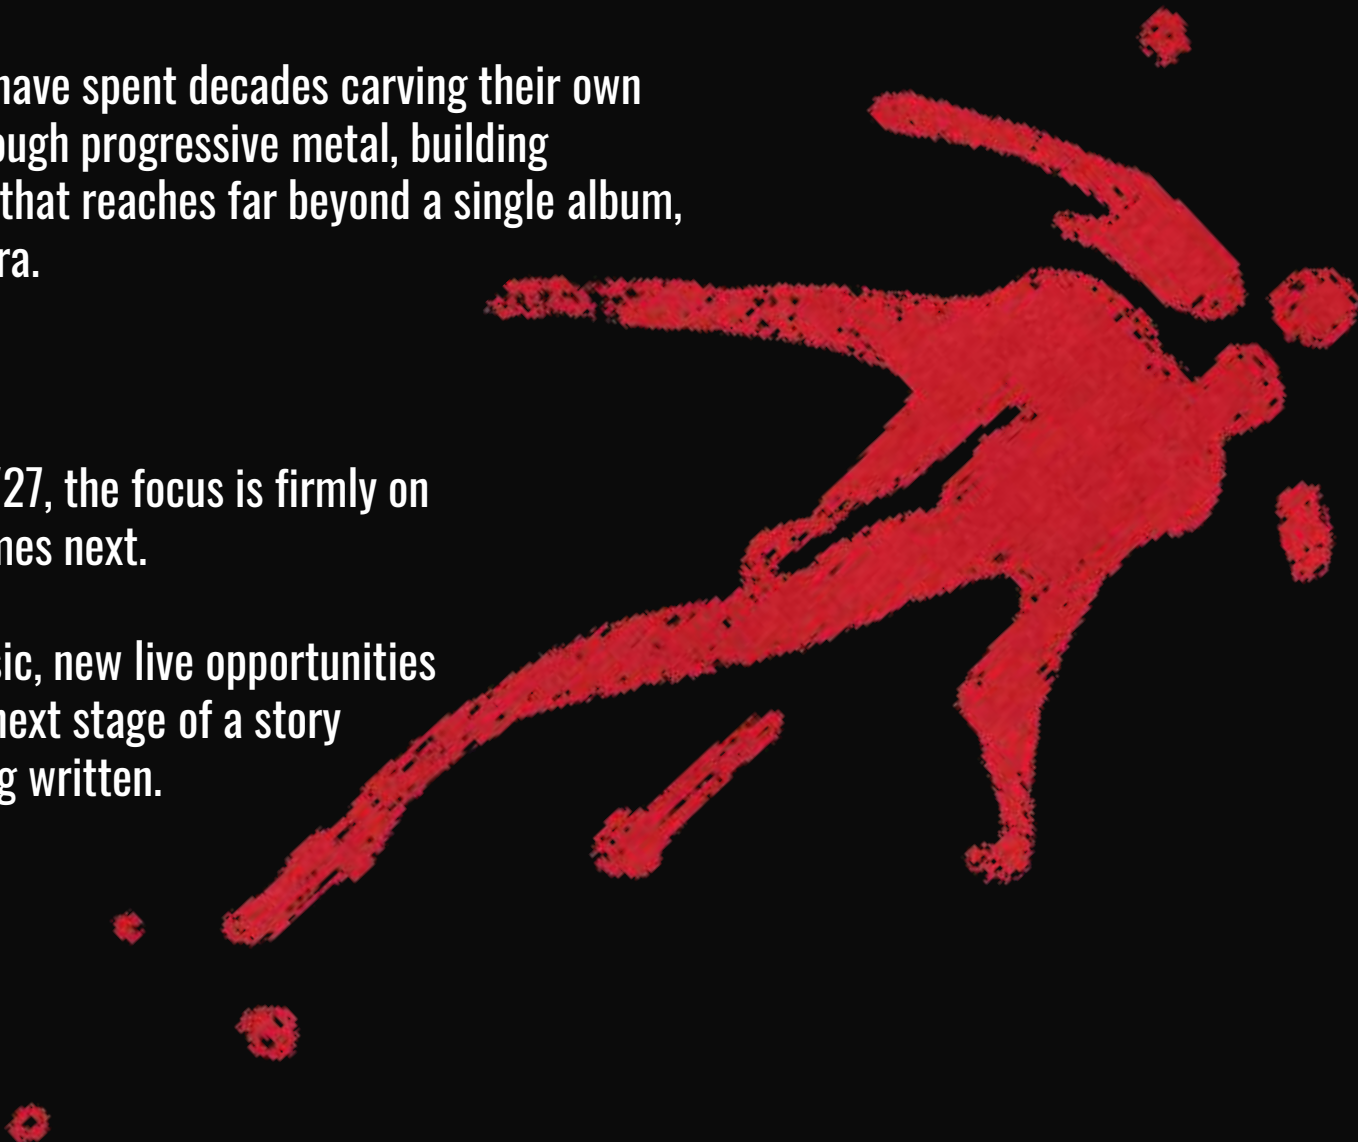

BUILT ON HISTORY. FOCUSED ON WHAT'S NEXT.

Rooted in the German progressive metal scene, Ivanhoe combine musical complexity with melody and a distinctly heavy edge.

Ivanhoe have spent decades carving their own path through progressive metal, building a legacy that reaches far beyond a single album, tour or era.

In 2026/27, the focus is firmly on what comes next.

New music, new live opportunities and the next stage of a story still being written.

2. SELECTED CAREER HIGHLIGHTS

FOUR DECADES OF PROGRESSIVE METAL

Founded in 1986, Ivanhoe have built a career spanning four decades and nine studio albums, establishing their own place in Germany's Progressive Metal history.
